

# Do You Want to Take Your Church to A NEW LEVEL?

Aaron and Hur held up Moses' hand.

GOD'S PEOPLE WON!

Who is holding up your hands where you are?

Who is winning?

*"Pastors/ministry leaders, when you give of yourselves completely without someone holding up your hands, you will miss the new level God has for you and your churches or other ministries."  
Claire A Smith, PhD, Spiritual Mentor and Prayer Coach, Living from God's Center*

Living from God's Center will:

- ◊ Go with you to the top of the hill,
- ◊ Hold up your hands where you are.

You find the space to take your church to a new level with peace and joy.

"I was quickly beginning to lose faith, hope and love. Now . . . The burden has been lifted off of my shoulders, my dry parched soul is becoming quenched by the living waters of Christ Jesus and my life consists of a new hope."

Rev. Bill O'Neal, Pastor St Stephen UMC in Troy, MO

"I highly recommend 'Living from God's Center' to pastors and ministry leaders who are seeking a disciplined spiritual practice that more fully recognizes the presence of God, embodies the teachings of Christ, and along with personal spiritual growth, builds a confidence to lead and nurture others in their Christian faith."

Kathy Williams, Associate Pastor, Lawrence First UMC

I knew something wasn't quite right. I knew I longed for more than what I was experiencing in ministry. I knew I had baggage I was carrying from my years of ministry. I knew all this. I prayed about it, but I didn't know for sure what to do. . . God has been working in me through this program, and I can honestly say that I am spiritually healthier now than I have been in a very long time.

Robert Sefrit, Pastor Marshfield United Methodist Church, Marshfield, MO

I was searching for a way to reconnect with God through a fresh and unique spiritual discipline. Claire Smith, Living from God's Center/SurrenderInPrayer, helped me to find a fresh new hope through weekly coaching calls, daily devotions, retreats and challenging exercises. I found the power of placing my whole self in God's presence through prayer walking. If you want something warm and fuzzy SurrenderInPrayer is not for you. If you are looking for something new and challenging give Claire a call.
